A long message in binary code was transmitted by telepathy to that military contactee "CJ", while several grey aliens were in the same room with him.

The grey ET's cannot speak verbally, so this is the only way they can communicate with us.

He "saw in his mind" then wrote down four different binary symbols, even though all binary codes known today on Earth use just two symbols 0 or 1.

Zusammenfassung der Fakten:

Die Rasse der Emerther hat uns besucht, Alien  
Sie brachten Technologieschenke mit  
für alle Völker der Erde.

Präsident Eisenhower und die CIA waren Zeugen.

Die USA hatten die Aufgabe, diese Technologien allen Völkern  
zur Verfügung zu stellen, was sie nicht taten.

Das ist gewöhnliche Unterschlagung,  
eine Straftat nach allen bekannten Gesetzen.

Jetzt wissen wir was Diffamierer sind:

Sie verbergen hinter ihrer Diffamierung ihre Straftat.

Es gibt sie, die Alien. Sie sind hier und arbeiten mit den US zusammen.  
Sie nennen sich EMERTHER. Sie gaben einen neuen Binärcode,  
damit die Rassen kommunizieren können.

Damit ist das Diffamieren beendet.

Wir erkennen, daß wir längst erkannt hatten.

Wir sind die, die erkennen statt zu glauben.
